Level 2 Certificate in Team Leading

Who is it for? The qualification is aimed at those who are new to team leading or looking to progress into this type of job role.

How long will it take? This qualification will take approximately 8 weeks to complete.

Introduction:

If you are new to management or team leadership, or if you have been in a supervisory job for some time and would like some formal training, this introductory course could be for you.

How can you ensure that your communication is comprehended and has a positive impact? When you have staff problems, do you have the confidence to handle a variety of situations? Are you able to apply leadership styles to motivate and lead a team? Do you understand how to improve own performance to support others?

If you can identify with the above, please contact us.
